Cherrybend Corporate Membership

The Corporate membership is designed to facilitate the entertainment of clients and staff of a business. The membership is a combination of a membership fee for each person listed on the membership and prepaid pheasant to result in a dollar amount equivalent. Each member listed on the membership may bring guests/customers who can hunt on the membership without additional charge and must put out 4 pheasant minimum each off the account per visit. A listed member must be present with guests. Only one payment is accepted, no split accounts.

A minimum of 50 pheasant must be purchased for a corporate account. Birds may be added throughout the season subject to availability at the locked in discounted price.

The Corporate pricing is as follows:

Membership Fee : \$150.00 per person listed on the membership
plus
Pheasant Pricing: 50 pheasant (\$1150)

Total: One member + 50ph = \$1300

Each hunter is required to have a 4 bird minimum release per man.

- Each additional pheasant over the initial membership purchase may be added for 22.50/bird.
- You can customize how big an account credit or dollar amount you would like to have.
- Credit **will not roll** to the following season.
- Credit use must be declared and scheduled/released by February 15th of each year.
- Unused credit forfeited. We can not carry credit over into the next season. Estimate wisely or schedule a blow out event in February/early March.
